

Thanks for coming to the Be the One Ministries Website! We believe this is a place where you can fully understand your God given potential. Obviously God is stirring you to make a commitment or align your focus on what He has for you. This starts with accepting Jesus Christ as your personal Lord and Savior. Remember He didn't come for the perfect. He came for those who are willing to surrender their life and follow Him. Jesus is not a fairy tale or Harry Potter wannabe. He is all God like his father. He lived a real life, died a real death, and rose again overcoming the enemy. This is the most important decision you will ever make. It is not one to take lightly.

Jesus knows what it's like to be alone, to be broken, and to need help. I believe this is no accident that you are on this page. God is speaking to you right where you are. You don't need to clean up your act you need to allow Jesus to heal your heart. That's how the transformation begins.

Below is an excerpt of Steven's first book called "Here's the Deal." If you're looking for more information about what Salvation means, please take some time and read the pdf below. If you are ready to make a statement of faith, repeat out loud the statement below. Then send us a message telling us about the decision you just made. My team wants to celebrate with you. I know God has a great plan for your life. This plan can move forward as you yield to Him. You don't have to be alone anymore!

**Dear Heavenly Father, I know you're calling me. Today, I surrender to your plan for my life. I understand that my sin is what has been separating me from a God led life. I want your spirit to lead me and transform my heart so that I would be pleasing to you. I give you my hurt, my pride, and my future. Be the Lord of my life, in Jesus Name Amen.**
